The application form will be available at the School Reception from 17th March 2025 onwards. The bus facility does not continue by default, and all students must reapply if they wish to avail of this service.

Once availed, the facility cannot be withdrawn until the end of the academic year and the fee for the entire year will be applicable. Mid-year withdrawals will not be entertained and changes in boarding points after allotment will not be permitted. Students will be assigned a fixed boarding and drop-off point and requests for different entry and exit points will not be considered.

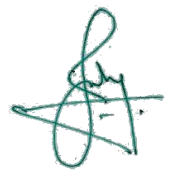

The bus fee (for 10 months) must be paid in advance and will be collected in three instalments along with the regular fee payments in **May, August, and November**. School buses will operate only on full school working days and will not be available on days with special classes, vacation sessions, model exams or board exams. However, on such days, the school will arrange pick-up and drop-off services to and from the bus stand. Additionally, students enrolled in sports coaching sessions after the regular school hours will not be eligible for school transport.
